Forsyth County Department of Public Health

Subject: Temporary Food Event Application and Fee Requirement

All food vendors who plan to have a booth at the Dixie Classic Fair must submit a Temporary Food Establishment (TFE) application and pay a \$75.00 permit fee to the Forsyth County Department of Public Health for each booth. This is in addition to any fees paid to Dixie Classic Fair or City of Winston-Salem. In order to ensure there are no delays in the permitting of food booths at the Fair, **all vendors are asked to submit their TFE application and \$75.00 fee to the Forsyth County Department of Public Health no later than September 13, 2019.** Any delay in receiving the application and fee may prevent the issuance of a permit in a timely manner. The application and fee may be mailed to the Health Department at the following address:

Forsyth County Department of Public Health  
Environmental Health Division  
799 N. Highland Avenue  
Winston-Salem, NC 27101

The application and fee may also be submitted in person at the Health Department located at 799 N. Highland Ave. Winston-Salem, NC. Cash, check or credit card will be accepted. Applications and fees may not be submitted electronically via email, fax or over the phone. Applications and fees will not be accepted at the fairgrounds.

**No permits will be issued until both the application and the fee have been received and an evaluation has been completed to determine that the vendor is eligible to receive a TFE permit.**

If there are any questions regarding the application or the fee, please contact:
